

WILD

ENGLISH SCHOOL

Real Immersion. Raw Adventure. In the West of Ireland.

PROGRAMME BROCHURE

Limerick & Galway

Ages 11–18 · Selected dates throughout the year

ACCOMMODATION & SAFETY

A real Irish home, and adults who are accountable for it

Where a student sleeps decides whether the stay works. We vet, visit and re-check every host family, and we publish exactly how supervision runs.

Irish host families

Full board with hand-picked families in Limerick and Galway, one to two students per home and never two speakers of the same first language.

- Garda-vetted adults
- Home visits every season
- Breakfast, packed lunch, dinner

Supervised residence

For groups who prefer campus living: single-sex floors, en-suite twin rooms and resident staff sleeping on site.

- 24-hour staff presence
- Full-board canteen
- Secure key-card access

Group leader hosting

Visiting teachers stay close to their students, in a private room in a host home or a residence single room.

- Private room, full board
- Daily director briefing
- 1 free leader place per 15 paying students

PASTORAL CARE

Supervision you can audit, not just trust

Safeguarding
A designated safeguarding officer, written child protection policy, and vetting for every adult who works with students.

24/7 welfare line
A staffed emergency phone answered by a member of the senior team — not a call centre — at any hour.

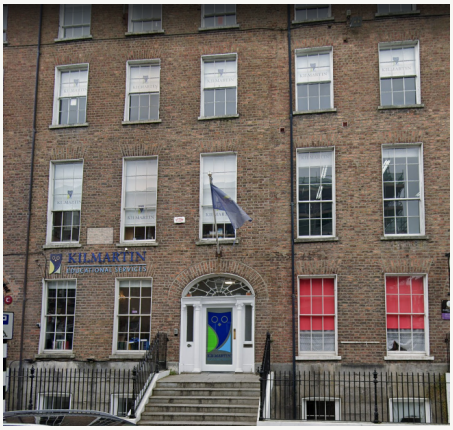

Supervision ratios
1:10 on activities, 1:8 on water-based sessions, and a full roll call at every transfer point.
